General Comments
<p>A renewal inspection occurred today.</p> <p>Educator was observed having meaningful conversations with the children, listening carefully allowing them time to think and express how they are feeling. Licensing observed flexible areas that are rich in opportunities for sensory learning, social interaction, language, exploration, manipulation, and representation. They are purposely designed and planned to enhance children's healthy development and learning. Educator accommodates children's emerging interests by making children's contributions and thinking visible through displays, documentation, photos and artwork.</p> <p>All checks were complete. Staff files and random review of children's files were reviewed.</p> <p>Facility is recommended for licensing.</p>
