General Comments
<p>The Quality Assurance Monitor is on-site for a monitoring inspection. The Quality Assurance Monitor is on-site during lunch and nap time.</p> <p>During the inspection, the Quality Assurance Monitor was able to observe 2 play surfaces in the outdoor play area. The operator has confirmed that the stationary equipment was equipped with sufficient protective surfacing. The Quality Assurance observed a protective surface under the stationary equipment. The Quality Assurance Monitor reminded the administrator to rake the rocks at the bottom of the slide and to ensure that the surface is maintained and sufficient around the play structure.</p> <p>The ratio was respected during the inspection and all required checks and qualifications were observed in 2 new staff records.</p>
