### General Comments

The Quality Assurance Monitor is on site for a monitoring inspection.

The Quality Assurance Monitor verified the following elements:

- Ratio
- Personal belongings
- Nutrition
- Diaper changing
- Designation
- The outdoor play area and materials

The QAM observed the children eating their snack and transitioning to the outdoor play area. A group was going for a walk to the park. The QAM observed the children playing in the outdoor play area, pretending to be hairdressers with an educator, and at a water table. Positive interactions were observed between the educators and the children.
