<p>General Comments</p> <p>On the day of my visit the toddler class was enjoying the day on the covered veranda watching the rain. They were playing with a water table and painting.</p> <p>As I toured the facility the educators were engaging and interacting well with the children. I heard plenty of positive guidance as I inspected the facility.</p> <p>There was evidence of planned activities and the educators were communicating and working well with each other.</p> <p>I was there during lunch. The meal was cabbage casserole and watermelon.</p> <p>Administration records are properly filed.</p>
