Order for Compliance	Regulation	Date to be corrected	Date corrected
24(1)For the purposes of subsection 20(1) of the Act, the following records and documents shall be maintained on the premises of a licensed facility:(d) associated person records that include (i) a copy of a criminal record check, and (ii) a copy of a check with the Department of Social Development;	24(1)(d)(i-ii)	Nov 17, 2026	
Comments: The Quality Assurance Monitor observed that the Social Development Record Check was missing for an associated person who does not have direct contact with the children. Once obtained, the verification may be submitted to the Quality Assurance Monitor by email.			
24(1) For the purposes of subsection 20(1) of the Act, the following records and documents shall be maintained on the premises of a licensed facility: (f) daily attendance records of the children on forms provided by the Minister.	24(1)(f)	Nov 02, 2026	Nov 02, 2026
Comments: The Quality Assurance Monitor observed that seven children were present at the facility, while nine children were signed in on the attendance sheet. The children were outside upon the arrival of the Quality Assurance Monitor. The departure of the children must always be recorded on the attendance sheet .During the inspection, the departures of the two children were recorded on the attendance sheet reflecting how many children were currently present. Deficiency is now compliant.			
28(2) An operator of a licensed facility shall carry out emergency evacuation and fire drills monthly.	28(2)	Nov 02, 2026	Nov 02, 2026
Comments: The Quality Assurance Monitor observed that fire drills for the months of September and October had not been documented. The operator informed the Quality Assurance Monitor that both fire drills had been conducted; however, they had not been recorded in the facility's documentation. A reminder was provided to the operator regarding the requirement to document all fire drills. The operator was able to provide documentation of the September and October fire drills from her cellular device, and the records were added to the facility's documentation during the inspection. Deficiency is now compliant.			

General Comments

The Quality Assurance Monitor is on site in the afternoon to conduct a monitoring inspection. The child to staff ratio was respected.

The following elements were verified:

General Comments
-Qualification and training -Checks -Staff records -Outdoor play area and equipment -Child guidance -Premises The children were observed attending the facility for the full day, as it was a professional development day. Upon the arrival of the Quality Assurance Monitor, the children were engaged in outdoor play in the wooded area, playing soccer and ball games. The children also ate their afternoon snack outside on the picnic table. Positive interactions were observed between the operator and the children.
