General Comments
- Visit to the facility for a monitoring inspection. - Ratio was respected during the visit. - Medications are locked and inaccessible to children, administration of medications records is evident. Medications used for anaphylactic shock was under key, it was brought into the classroom and stored safely but easily accessible. - Fire drills are done monthly. - Daily incident log is maintained; parents are advised of the incident and signs the daily log. - Educators were engaged with children during activities. - Learning stories posted highlights children's recent learning and interests. - Children's guidance is done a respectful and positive way. Observations: When arriving at the center, it was quiet time children were into free play. When leaving the centre they were all tiding up and getting ready to go outside.
