<p>General Comments</p> <ul style="list-style-type: none"> -Visit to the learning center for an unexpected monitoring inspection -Ratio was respected during the visit -Indoor environment provides for children a space that is safe and clean. The material is varied and in sufficient quantity for all children present, easily accessible on low, open shelves. -Toxic products, and cleaning supplies are locked and inaccessible to children -Children's guidance is done in a respectful and positive way -Daily routine into the center includes; Outdoor play time at least once every 4 hour block time, when the weather is permitting. Meal and snacks are served at the recognized hours and a daily rest period that meets the children's needs. -Educators are using the curriculum in the language in which services are provided -Proof on premises that educators have completed 10hours of professional development per year. -The operator has implemented and is monitoring the quality improvement plan. -No hot beverage was found in the children's indoor and outdoor play area -A first aid kit and a phone are always accessible on site and on outings. <p>Observations: When arriving at the center children and educators were getting ready for a bake sale happening today, when everything was ready children tidy up, the educator read them a story and they went into free play. School age kids arrived at the center, went outside to eat their snack, and then play.</p>
