28(3) The premises of a licensed facility shall comply with (a) lighting, ventilation and other general health standards under the Public Health Act.	28(3)(a)	Apr 30, 2019	
Comments: Windows in After School Room leaking.			

<p>General Comments</p> <p>Infant Room: Children were just waking up from nap. Children and educators washed their hands before snack. It is nice to see children this age choosing what they have for snack. Educators speak to the children in a very kind manner. Documentation is posted around the room.</p> <p>Preschool Room: Environment set up for play and learning. Wonderful documentation posted and materials added to enhance the children's learning. Children are interested in squirrels. Children were engaged in play in the gym today.</p> <p>After School: Invitations set up for children when they arrive from school. A variety of toys and materials are accessible to the children. Educator observed talking to each child in a respectful and caring way. A healthy open snack was set out for the children. The book area could use some organization in this room.</p> <p>When the leaking window in the After School Room is fixed the ledge must be painted.</p> <p>Replace Bingo Daubers with non-toxic version. (Example: Do-a-Dot)</p> <p>Many wonderful things are happening in each room!</p>
