<p>General Comments</p> <p>Renewal Inspection was completed this afternoon.</p> <p>The summer day camp group was not on site during renewal inspection today, as they were on an outing to Harbour Passage and the City Market. The group arrived back at the facility at the end of the day to prepare for parent pick-up.</p> <p>The indoor learning environment is set up with a variety of interesting materials for the children to explore. Materials are well organized and displayed in a way that is inviting to children. Books and mark making materials are displayed throughout the room, this encourages children to include literacy in their play. The environment and materials within the room create opportunities for individual and small group play, math and science, creative art, sensory experiences, gross motor play and more.</p> <p>Photos of the children, their experiences and the community are displayed throughout the room. Open-ended art is displayed, some current and some outdated. Discussed with educator examples of ways to expand on documentation. Children's ongoing interests to be included in documentation.</p> <p>Recipe books have been created by the children and educators. The recipe books are displayed in the dramatic play area for the children to revisit during play.</p> <p>Ensure job descriptions are updated as roles change. Example: Support Worker/Educator</p> <p>Staff file review - all files complete. Fire drills - complete.</p>
