General Comments
<p>A renewal inspection occurred today, children were observed indoors and outdoors. Educators were observed making slime with the children, being creative and reflecting. Open ended materials were present and provided multiple choices, solutions and possibilities for investigation and exploration. The materials/documentation was reflective in children's current interests. Materials were displayed and organized to support maintenance and care.</p> <p>Inspector observed transitions and children over snack.</p> <p>Checks were observed and also complete. Staff files were complete, as well as random review of children's files.</p>
