General Comments

Monitoring Inspection - PreK Only:

Children observed engaged in a variety of activities this morning including sensory opportunities, open-ended art, fine motor activities, block play, and dramatic play. The sensory table was set up with a "snowy" scene for the children to explore. Painting opportunities are set-up and ready at the easel.

Purposeful planning is evident through documentation displayed throughout the environment, documentation on planning sheet and invitations set-up within the interest centres, and materials added to the environment that support the current interests of the children (babies, dentist, snow, and Christmas).

Educators observed sitting with children and encouraging them to problem solve independently.

Monthly fire drills documented.
 Toast with melon was served for morning snack.
 Attendance records are completed and accurate.
 New staff file (1) review, all required documents in place.
