General Comments
Monitoring Inspection - Summer Program: Children and educators observed during a visit to the MCC site. The school-age children went on a field trip for the day to a local splash pad; where they had a picnic lunch and played gross motor games. This summer this group is utilizing a room at MCC a few days a week to allow for more outdoor opportunities. The group takes a bus from the South Hub to MCC in the mornings and returns in the afternoon. Daily attendance records are accurate and reflect all children present. Child-to-staff ratio was observed to be met during Monitoring Inspection. First Aid Kits and emergency contact information are brought with the group each day. Staff files are accessible at both sites.
