Comments: Deficiency is now compliant			
39(2) A licensed facility shall have a separate locked storage space that is inaccessible to the children for each of the following: (a) toxic products, chemical products and cleaning supplies;	39(2)(a)	Jan 27, 2021	
Comments: Kitchen are adjacent to school-age room door unlocked. Febreeze on table, Lysol Spray and Spray 9 on kitchen counters. Children exit this area to access outside play. Discussed with educator to ensure this area is remained locked at all times.			

<p><b>General Comments</b></p> <p>During the monitoring inspection conducted on January 26, 2021 the children were observed in outside play. Upon arrival the children in the Red Group were already outside and the children in the Green Group were just finishing getting ready to go outside.</p> <p>Children were observed in playing in the snow and sliding, without sleds, on the hills adjacent to the facility. The educators indicated that they try to get the children out as much as possible and it is evident that going outside is part of their normal daily routine.</p>
