24(1) For the purposes of subsection 20(1) of the Act, the following records and documents shall be maintained on the premises of a licensed facility: (f) daily attendance records of the children on forms provided by the Minister.	24(1)(f)	Sep 01, 2022	
Comments: 2's Room - Attendance Record Sheet was left inside, during outside play. Attendance Records are to be completed each time a child arrives and leaves, they are to be accurate and reflect all children present at any given time, and they are to be taken out of the facility whenever children leave the building.			
32(1) An operator of a licensed facility shall provide indoor play area materials and equipment that are (a) varied and in sufficient quantity for the number and ages of the children receiving services at the licensed facility.	32(1)(a)	Sep 09, 2022	
Comments: 4's Room - QAM observed 9 books in the reading area. More books to be added.			
32(1) An operator of a licensed facility shall provide indoor play area materials and equipment that are (d) clean and in good repair.	32(1)(d)	Sep 09, 2022	
Comments: 4's Room - three of the books were in poor repair. To be repaired / replaced.			

<p>General Comments</p> <p>A Monitoring Inspection was completed this morning. Children were observed both inside and outside. Baby Room - the babies were getting ready for their snack at QAM's arrival. Children were observed sitting at their snack table, eating, waving, and babbling. Educators were engaged with the children, down on their level, responding to their wants and needs. 2's - The two-year-olds were observed during outside play. Children were very interested in the outdoor mud kitchen, and toy vehicles. Children's artwork was displayed throughout the classroom, and several learning stories were also observed. 3's - The three-year-olds were on a walk during today's Monitoring Inspection. Inside the 3-year-old room, several learning stories were observed - Rain Walk, Nature, Baseball Field Fun, and Sibling Love. 4's - The four-year-olds were observed lined up, getting ready to walk to the blue bins, with some recycling. The 4's were also observed during outside play. Children were very interested in the mud kitchen and riding their Plasma Bikes. School Aged Group - children were observed playing outside, in and around their homemade tire fort. While inside, children were observed building in the block centre. Current interests include The Titanic - several Titanic themed books and Titanic documentation were observed. Children's artwork was displayed throughout the classroom, and several learning stories were also observed.</p>
