<p>General Comments</p> <p>Monitoring visit performed. During my visit, I reviewed children's attendance records and this was tracked for children on site during my visit.</p> <p>No recent incidents to report, though the centre keeps an incident log book for tracking, when applicable.</p> <p>The staff at this facility either have completed the intro to ECE which goes above and beyond the requirements of the NB Regulation for operating an Afterschool program. Today, children involved in eating snack, listening to a Christmas story and love the beading activity that the children were creating. School age children also have choice of activities. Staff are engaged and lots of interaction observed.</p>
