<p>General Comments</p> <p>Upon arrival children involved in a variety of activities - Pumpkin carving, Pumpkin face drawing competition and other floor activities etc. Two pumpkin faces will be chosen to be used for the 2 pumpkins that were carved. The educators have collected all the seeds and will inquire whether if the seeds can be roasted for children to taste. Administrative records were reviewed and staff and child attendance is tracked, fire drills are also being recorded monthly. I also reviewed staff files during my visit and all in order. Always a good practice for children to have a pair of indoor shoes and be prepared for spontaneous fire drills too!</p> <p>During my visit children were invited to sit on the carpet to listen to a couple of Halloween stories. They sang a scary song together to settle down and put their listening ears on. The educator had a wicked Witches voice while she read these 2 stories - 'Big Pumpkin' and 'The Little Old Lady that was not afraid of Anything'!</p> <p>All children participated in clean up before getting ready to go to Willow Park. Educators provided clear directions in a language that children understand and educators made sure that all children had a jacket to wear as the weather was cool.</p> <p>I observed incident reports are being signed off so parents are made aware. Please ensure the report on the clip board gets stored in the log binder. TY.</p>
