General Comments
<p>Monitoring visit.</p> <p>Upon arrival the Administrator announced that she would be leaving soon to meet 8 older school age children. There were 6 school age children on site when I arrived. The Administrator posted a notice sign during my visit to advise parents they would be at Memorial Park for the remainder of the afternoon, though the Administrator also notified parents via email about the change in activities. It is a beautiful and sunny afternoon.</p> <p>I observed an illness notice visibly posted so parents were made aware of any recent communicable diseases. I had time to review administrative records as the children tidied up and these were in order, however as noted above a fire drill was not documented for March. So please ensure you practice one with all school age children this month.</p> <p>Enjoy your afternoon.</p>
