General Comments
<p>Upon my arrival, some children were working on Mother's Day projects, others were reading books or playing with dolls.</p> <p>The Centre is clean and organized.</p> <p>There are enough materials and of variety for all children present. An aquarium with Stick Bugs was added since my last inspection.</p> <p>Staff were observed engaged with the children, talking with them, and providing gentle reminders when needed.</p> <p>Later in my inspection, the staff read the children a book, children were encouraged to participate and were engaged in conversations about the content.</p> <p>Everything is in compliance, I recommend for renewal.</p>
