Comments: There was a criminal record and vulnerable sector check missing from one of the staff files. See comments below.			

<p>General Comments</p> <p>Children were playing at time of arrival and eventually had snack. The atmosphere is calm and inviting with many resources available to the children. The educators are very attentive to the children's needs and engage with them by speaking and playing with them.</p> <p>All documentation was easily verified at time of inspection. The filing system is meticulous.</p> <p>One staff is missing their criminal record check and vulnerable sector check. The Operator was under the understanding that as long as he was not left alone and ratio was covered the staff could be on site. The operator stated that there were two other educators with this new staff at all times. The criminal record and vulnerable sector check will be obtained Friday but the Operator stated he will not return to be with children until then.</p> <p>I can recommend for licensing pending Fire and Health approval.</p>
