<p>General Comments</p> <p>Children were observed in the school gym on this date. Educators had first aid kit, enrollment and children's water bottles available with them while participating in their gym time. Children had a well establish routine as they entered the gym and sat in a circle. Educators provided several structured activities that keep all children engaged. Educators set expectations with the children as they reviewed the games they would be playing.</p> <p>Educators were observed counting the children several times and referred to the attendance when moving from the gym to the classroom. Handwashing took place before snack time.</p> <p>Several invitations for play were displayed throughout the classroom, preplanned programming was visible. Several activities were available within the classroom such as a Santa's workshop prop box, Christmas felt boards, Christmas tree light table, loose parts and sensory tables. Various art projects were displayed throughout the room.</p> <p>Positive reinforcement and redirection were observed throughout the monitoring inspection.</p>
