<b>General Comments</b>
<p>The preschool children that stay all day were engaged in free play after morning preschool. Some children were playing with playdough, others at the lego table and one child was coloring a picture. The children easily moved around playing with friends and different activities. The room is full of age-appropriate resources that the children can independently choose.</p> <p>Family pictures are posted in the reading corner and artwork posted throughout centre. Portfolios are stored on the shelf with photographs, crafts, and artwork.</p> <p>Children were familiar with the routine of washing their hands upon arrival.</p> <p>Please update the Quality Assurance Monitor.</p>
