| <p><b>General Comments</b></p> <p>The environment is set up with many interesting and age appropriate learning centres. It is very organized and offers many choices. Educators are using learning stories, pictures and portfolios to document the children's learning. The administrator was able to demonstrate a planned program for the school age children. The children seem happy and content as they take part in their day.</p> <p>All personal belongings and cubbies must be labelled for each child. Administrator did this at the time of visit.</p> <p>Facility uses school playground and administrator stated that safety checks are done prior to using grounds.</p> |

General Comments

Fire drills records were not written in on record sheet however administrator stated that they are being completed and was able to mark them in at time of visit.

Please change name and number of your QA. Also please provide the appropriate number for your inspector / investigator.

I can recommend for licensing.
