Address 122 Lewis P. Fisher Lane Woodstock NB E7M 0G6			
Name of Early Learning and Childcare Licensing Staff Jenelle Hanscom		Position Title Quality Assurance Monitor	
Order for Compliance	Regulation	Date to be corrected	Date corrected

<p><b>General Comments</b></p> <p>Children were seated for their morning snack upon arrival of licensing staff. Children enjoyed their snacks which they brought from home and also shared cupcakes as it was someone's birthday on this date. The Preschool age program does not have children with any food allergies at this time, all allergies are posted to the parent board.</p> <p>After snack children gathered on the carpet for stories and activities which included some gross motor movement and imaginative play, this had all children engaged and communicating with the educators and each other.</p> <p>Children are currently interested in vehicles, and this was reflected in their train art activity and within their circle time as they acted out how different vehicles move. Circle time also included reading and singing the songbook "The Wheels on the Bus"</p> <p>While one educator had all children engaged for their story, the other educator prepared the art activity for the morning which was a bus that they would be painting the colour of their choice. Having this activity prepared in advance helped children to transition to this activity smoothly. The educators integrated teachable moments into their conversations and interactions with the children and encouraged independence and language development.</p> <p>Positive behaviour guidance was observed at all times, educators are modeling to children how to sit together as a group for their story time and participating with children in all activities.</p>
