<p>General Comments</p> <p>Monitoring visit performed.</p> <p>*Administrative records are being tracked - child and staff attendance, fire drills practiced and recorded and outdoor play area inspected monthly.</p> <p>*Incident reports are being documented and signed off by the parent so they are aware. Please remind staff to add details - re: the care that was provided too. thank you.</p> <p>*Since last visit, 4 staff have completed the 60 hour Intro to ECE training and now are beginning the 30 hour curriculum.</p> <p>*Children involved in a variety of age appropriate, educational and fun activities during my visit. Children are interested in dramatic play opportunities, puzzles, books. Great sensory programming posted and lots of documentation of children's learning. Educators are great at purposefully planning the environment to encourage children to participate in a variety of activities. Hopefully children will have some outdoor play time in the PM. Weather did not permit children to go outdoors this AM.</p> <p>*Appropriate child guidance practices observed during my visit. Educators are engaged with the children, answer children's questions, provide appropriate supervision and provide ample time for activities.</p> <p>*children observed eating lunch during my visit before moving into quiet activities.</p>
