<p><b>General Comments</b></p> <p><b>Monitoring Inspection:</b></p> <p>Children observed engaged in a variety of activities this afternoon including mini stick hockey, dramatic play, playdough and art. The environment is set-up with a variety of materials and invitations for the children to explore freely.</p> <p>Children and educators were observed preparing for outdoor play - children applied sunscreen and got ready in small groups to allow for smooth transitions.</p> <p>Educators were observed communicating with one another the number of children in their groups and they ensured relief staff were aware how many children were present.</p> <p>Art materials depleted. A variety of open-ended art materials must be accessible to the children. Art materials to be replenished daily. Examples of materials to include, but are not limited to paint, paint brushes, paint rollers, feathers, tissue paper, cardboard tubes, fabric, yarn, ribbon, recycled items, items collected from nature, collage materials, etc.</p> <p>Apple sauce, clementines and chocolate chip banana muffins with Wow Butter frosting were served for snack. Handwashing routines were observed at arrival and before snack.</p> <p>Daily attendance records are accurate and reflect all children present. Child-to-staff ratio was observed to be met during Monitoring Inspection.</p>
