General Comments
A Monitoring Inspection was completed this afternoon. The afterschool children were observed during inside and outside play. Children were observed washing their hands upon arrival. Children were observed during snack. Children were served banana muffins. Both classrooms were set up with several different learning invitations, some of which included: paint and paint supplies, arts and crafts, a drawing table, a building area, and a cozy ready area. Children were observed painting, playing Lego, creating Halloween decorations, and drawing Pokemon. Children made play doh and moon doh today. QAM observed the clean-up of this activity, and the finished products. While outside, children were observed working on their Halloween decorations, playing soccer, and playing on the equipment. Educators were observed raking the pea gravel, ensuring that there was enough pea gravel in all fall zones. Educators were engaged with the children - conversing with the children and taking part in their activities and play. A conversation was had with Administrator regarding attendance records. Administrator and educators to review page 39-40 of the Operator's Manual.
