General Comments
<p>A follow up inspection occurred today.</p> <p>Two orders for compliance were added to the follow up as one relief staff did not have First Aid/CPR training. Training can now be done with the Blended Model with one half being completed online and the second half in person. Educators, prior to beginning working at a facility must complete the first half and have a date scheduled for the second half of the course.</p> <p>The completion of the first half, with the date of the second half must be submitted to the Inspector to put the facility in compliance with the Regulations. Once the whole course is completed, the Certificate is to be sent to the Inspector.</p>
