<p>General Comments</p> <p>The facility has a large active play area and many materials readily available for quieter play. Educators are journaling their planned activities and it appears that they are providing a good balance for the children.</p> <p>The filing system is organized and easily verified by licensing staff. Documentation appears to be complete and accurate.</p> <p>The inspector and quality assurance monitor had an informative discussion with the Operator regarding the portal. Information to be shared with Manager.</p> <p>There were no children present at time of inspection. The Quality Assurance Monitor will follow up with a monitoring visit when children are present for this license.</p> <p>Licensing staff can recommend facility for licensing.</p>
