Enthusiasm and passion for their work with children and families was clearly communicated. | | | | | | | | |
| The children have been participating in a number of activities to support and enhance their learning. Rich conversations between educators and the children were observed. This demonstrates valuing and respecting children and relationships. Educators participated in the inspection process by contributing recent events, experiences, opportunities and routine of the day. Enthusiasm and passion for their work with children and families was clearly communicated. | | | | | | | | |
