General Comments
A follow-up to the renewal inspection was conducted today. All orders for compliance are completed and the facility is recommended for license renewal. The children were observed in their indoor environment this afternoon. The children's learning is documented and demonstrates children's current, ongoing group project work and

General Comments

individual work in progress.

Positive interactions were observed from all the educators towards the children in their care. Positive guidance and relationships help children grow and develop important lifelong confidence and trust within themselves. The children were observed being comfortable, excited about their environments and very curious showing what they are creating.
