<p>Comments: While on site the Quality Assurance Monitor noticed that the board that contain all the information that must be posted in a visible and prominent place in the facility was empty. When the Quality Assurance Monitor asked the administrator why the board was empty, the operator explained to the Quality Assurance Monitor that the board was being rearranged and the administrator was not able to finish posting the information before leaving for the bus run. The administrator immediately posted all the information necessary on the board.</p> <p>Deficiency is now compliant</p>			
<p>32(1) An operator of a licensed facility shall provide indoor play area materials and equipment that are (b) arranged on low, open shelves and accessible to the children receiving services at the licensed facility,</p>	32(1)(b)	Mar 13, 2024	
<p>Comments: In one classroom , children did not have access to the art and coloring material. The Quality Assurance Monitor asked the educators if children had access to art and coloring material , the educator told the Quality Assurance Monitor that children did not have access and the educators take out the crayons and markers every once in a while. The Quality Assurance Monitor reminded the educators that children must be able to easily access the art and coloring materials.</p>			

General Comments

Monitoring inspection conducted.
Ratio was respected during the visit.

While on site the Quality Assurance Monitor was able to observe children waking up from nap time and playing indoor. The Quality Assurance Monitor was also able to observe children eating a snack.
