9(1) The child-to-staff ratio is one educator for each of the following groups of children of the same age receiving services at a full-time or part-time early learning and childcare centre: (a) three infants or fewer; (b) five children or fewer who are two years of age; (c) eight children or fewer who are three years of age; (d) ten children or fewer who are four years of age or older, but who are not yet attending school; and (e) 15 school-age children or fewer.	9(1)	Jul 18, 2024	Jul 18, 2024
Comments: During a change in service inspection, the Quality Assurance Monitor was verifying ratio in each classroom, the Quality Assurance monitor noticed that in one of the infant classrooms there was one educator with 4 infants. The educator informed the Quality Assurance Monitor that the other educator had gone to the kitchen with to warm up something and had brought one infant. The Quality Assurance Monitor informed the educator that if an educator is to leave the room, they must take half of the ratio with her. Once the other educator arrived in the classroom again, the same discussion was had with the educator, the Quality Assurance Monitor explained that if ever the educator needs to leave the room, either someone has to replace her, or the educator must take a number of children with her. Deficiency is now compliant
