<p><b>General Comments</b></p> <p>The daycare meets the requirements of the Early Childhood Services Act and New Brunswick regulation according to the ratio. During my visit I have observed free play inside the daycare. A new first aid kit was bought. In the sand box outside there was a tarp with stagnant water on it. It is important that the sand is covered with something that water won't stay on it or animal won't go into it.</p>
