General Comments

During my visit in the afternoon, the daycare meets the requirements of the Early Childhood Services Act and New Brunswick regulation according to the ratio. When the second floor is ready for children, it will be important not to have anything in the staircase. The opening hours are different of what you have given to us at your last renewal. If you have new operating hours, you'll need to send a modification form of your services and send us your new operational and parents handbook.
