General Comments

During my visit in the morning, the daycare meets the requirements of the Early Childhood Services Act and New Brunswick regulation according to the ratio, administrative records maintained on-site, incident records, rest area (mats), diaper changing, health, safety and daily activities (to add the objective \ the reason for the activity).
 Observation of the welcome given by some parents and children. Observation of some children eating the morning snack provided by parents. The snow is falling like rain during my visit.
