General Comments
<p>During my visit in the afternoon, the daycare meets the requirements of the Early Childhood Services Act and New Brunswick regulation according to the ratio, the indoor play area for the main floor (materials and equipment).</p> <p>Discussion with the educator about the importance of giving time markers for snacks, which must be offered every 3 hours.</p> <p>Observation of after-school arrival, departure of two preschoolers and snack (granola bar).</p> <p>Most of the children are not present, so they won't be going outside today (feel like -17).</p>
