General Comments
Preschool program is currently not running at this location.
Observed educators doing a great job at keeping the children entertained with activities inside while it was too cold to play outdoors. Educators were observed listening to the children and taking their suggestions of what games to play and ensuring that each child's suggestion was given a chance to play out with those who wished to partake, even the educators were observed taking part!
The gate door and the building door leading to the outside play space was shovelled out allowing the educators and children to have access to the play space.
