General Comments
<p>Staff member advised that First Aid would expire May 28th 2019. Two staff files found to be missing documents. One missing First Aid, signed statement, and job description. This staff member must be paired with a staff with completed First Aid until it is completed. Other staff file is missing Vulnerable Sector check ( Has only criminal record check). May not work with children until it is completed and sent to Quality Assurance Monitor. This staff file also needs a signed statement and job description.</p> <p>Childrens Personal belongings must be maintained in an organized way, and labelled. Operator must find a solution with the church as this is an on going issue. Water bottles must be labelled and stored so that the container tops are not touching.</p>
