General Comments

The Quality Assurance Monitor is on site for a monitoring inspection.

The QAM observed the followings:

- Administrative record on site
- Child records and signed consents
- Storage space
- Washrooms

The Quality Assurance Monitor observed in a washroom that the toilet paper roll is empty. The administrator was reminded to replace the roll to ensure that the children practice proper hygiene.

At the time of the visit, the children were observed watching a movie, playing at the gym and doing a painting.
