| Address<br>153 Canusa Drive Riverview NB E1B 2W6  |                           |   |                |
| Name of Early Learning and Childcare Licensing Staff<br>Véronique Landry  |                           | Position Title<br>Quality Assurance Monitor |                |
| Order for Compliance  | Regulation                | Date to be corrected                        | Date corrected |
| 24(1) For the purposes of subsection 20(1) of the Act, the following records and documents shall be maintained on the premises of a licensed facility: (b) child records that include: (ii) the name, address and telephone number of the child's medical practitioner.   | 24(1)(b)(ii)              | Jul 19, 2019                                |                |
| Comments: Medical practitioner information must contain full address and telephone number   |                           |   |                |
| 24(1) For the purposes of subsection 20(1) of the Act, the following records and documents shall be maintained on the premises of a licensed facility: (b) child records that include: (iv) the name, address and telephone number of at least two individuals authorized by the child's parent or guardian to pick up the child and to be contacted in case of an emergency if the parent or guardian cannot be reached, | 24(1)(b)(iv)              | Jul 19, 2019                                |                |
| Comments: Each file must have 2 emergency contacts including full address   |                           |   |                |
| 25 An operator of a licensed facility shall post in a clearly visible and prominent place on the premises: (a) the daily routine.   | 25(a)                     | Jul 19, 2019                                |                |
| Comments: The daily routine must be posted in a visible and prominent place.  |                           |   |                |
| 25 An operator of a licensed facility shall post in a clearly visible and prominent place on the premises: (g) whether a child receiving services at the licensed facility has a life-threatening allergy and a description of that allergy.  | 25(g)                     | May 17, 2019                                |                |
| Comments: Staff is aware of allergies as they are posted in the kitchen. Operator must post allergies in a visible and prominent place for visitors to see.   |                           |   |                |
| 39(2) A licensed facility shall have a separate locked storage space that is inaccessible to the children for each of the following: (b) medications.   | 39(2)(b)                  | May 15, 2019                                |                |
| Comments: Medication is inaccessible to children but must also be locked. This includes a locked box for refrigerated medication.   |                           |   |                |
| 50(1) An operator of a licensed facility shall maintain a chronologically filed daily incident log relating to the health, security and well-being of the children receiving services at the licensed facility.   | 50(1)                     | Jul 19, 2019                                |                |
| Comments: A daily incident log must be maintained, showing child's name, date, time and record of event. It must also be signed by the parent.  |                           |   |                |

| Order for Compliance  | Regulation | Date to be corrected | Date corrected |
|---|------------|----------------------|----------------|
| 50(2) The operator of a licensed facility shall inform the parent or guardian of a child involved in an incident on the day the incident takes place and shall ensure that the parent or guardian signs the daily log to confirm their awareness. | 50(2)      | Jul 19, 2019         |                |
| Comments: A daily incident log must be maintained, showing child's name, date, time and record of event. It must also be signed by the parent.  |            |                      |                |

|   |
|---|
| General Comments  |
| <p>Ratio was respected at time of inspection.</p> <p>Quality Assurance Monitor observed positive child guidance at time of visit.</p> |
