Order for Compliance	Regulation	Date to be corrected	Date corrected
10(6) The number of children grouped at a full-time or part-time early learning and child- care centre shall not be more than the number that requires two educators.	10(6)	Jul 06, 2022	Jul 06, 2022
Comments: Ratio calculation of preschool & school age children requires 3 educators. Group must be divided to maintain group sizes within permitted regulations. Was corrected during the inspection. Deficiency is now compliant .			

General Comments
QA Monitor conducted a monitoring inspection, play spaces are well provisioned with a variety of play materials. As the group is a mixed age group including preschool children the two sides of the classroom space will need to be provisioned to accommodate two separate groups as the ratio calculation for this size of a mixed age group will require two distinct groups.
