<p>General Comments</p> <p>During my visit today, I reviewed children's attendance and the Operator tracks it daily.</p> <p>Operator has made a few changes to her indoor play area, moving the cubbie area to the foot of the stairs which adds more space to the programming area.</p> <p>Operator also has plans to set up a book sign out library. This is a great idea, as the operator has ootles of children's books to share with her families.</p> <p>I will follow up with the PH and fire inspectors reports, and the Parent Portal.</p> <p>Your question about criteria for designation means that your facility is considered a part time Early Learning and Childcare centre, therefore a PT rate applies to any service who offers PT hours i.e. more than 2 hours but less than 4 hours/day.</p> <p>Please add my tele # to your parent board - 453-8935. Thank you.</p> <p>During my visit I observed children enjoying table top activities, dramatic play opportunities, participating in clean up. Operator also has a morning circle time whereby the children talk about the date, the months, days of the week and season and listening to a story. Programming focus is around St. Patty's Day activities. Children participated in a great sorting activity. I also observed lots of conversation and interaction between staff and children.</p>
