General Comments The following items are verified during the monitoring inspection: -The child-to-educator ratio. -The facility has an appropriate number of toilets and sinks available and in working order. -Potties and stepping stools are provided for children. -Toxic products, chemicals, and cleaning supplies are kept locked. -Nutrition. Water bottles are available to children at all times. -The outdoor play area and outdoor play equipment. -Children's personal belongings are labeled, used exclusively by the individual child, and stored separately for each child. During the monitoring inspection, the Quality Assurance Mentor observed the morning routine, outdoor free play, and a special snack (ice cream). The children shared that they were very happy with this snack. The Quality Assurance Mentor also observed an educator caring for children with runny noses. Another educator was attending to a child who had fallen (with no injury). The educator got down to the child's level, helped the child get back up, and gave the child a hug.
