Order for Compliance	Regulation	Date to be corrected	Date corrected
33(2) Stationary equipment in the outdoor play area shall be surrounded by a protective surfacing and installed according to the manufacturer's instructions.	33(2)	Jul 26, 2019	
Comments: Please ensure that you have the appropriate amount of surfacing around all climbing structures. You can do this by adding more or raking the pea gravel away from areas that do not need it.			
39(2) A licensed facility shall have a separate locked storage space that is inaccessible to the children for each of the following: (a) toxic products, chemical products and cleaning supplies;	39(2)(a)	Jul 26, 2019	
Comments: Toxic products were moved to a cupboard that was higher but they must be locked.			

<p>General Comments</p> <p>Children were playing outside at time of visit. Spoke to the Administrator regarding raking the surfacing around the play structures or adding new pea gravel if needed.</p> <p>Please be mindful of equipment that is situated too close together. It is not recommended that the new climber be used for preschool outdoor play space.</p> <p>Please check with your Public Health Inspector regarding the use of outdoor mats for infant play space.</p> <p>Please remove any equipment or objects that may be in the fall zone of the slides or climbing structures.</p> <p>Observed a very quiet and peaceful rest area for preschool children.</p> <p>Observed positive child guidance at time of visit. Baby educators were sitting on the ground with children and were interacting with them on a regular basis. Observed the educator will school age children having positive conversations with this age group.</p>
