<p>General Comments</p> <p>Follow up to inspection requirements performed. Compliances have been addressed. Fire drills were completed in July and August. Please ensure the time of day, evacuation time, and number of children are recorded for each monthly drill. This was missing from the August drill but the date was recorded. and performed while the fire inspector was on site.</p> <p>Lovely new fencing installed. The centre has wood on order to replace the broken boards on the walkway. I believe the operator will complete this compliance for licensing.</p> <p>I had a discussion regarding the lock on the Fridge. Apparently it keeps breaking. I have suggested a box that locks to store medications in the fridge and keeping the gate closed to the kitchenette at all times.</p>
