| General Comments |
| <p>This Inspector was on site today to complete the annual inspection for the other licence. During the time I was outside inspecting the outdoor play space, I noticed that the infants were playing on the deck area. Additionally, there was only one staff for four infants and the staff was on her cell phone. During my annual inspection, I had expressed concerns with cell phone use in the infant room and advised that the deck area is not a licensed play space and that the infants should be brought down into their outdoor licensed space during outdoor time.</p> <p>I will be asking the Quality Assurance Monitor to follow up on these non-compliances.</p> |
