<p><b>General Comments</b></p> <p>Upon my arrival all the classrooms were getting ready to go outside. Everyone came back inside for lunch around 11:15. Today lunch was pasta. After lunch the children had a nap/quiet period.</p> <p>There is a good routine established, the children transition well from one activity to another.</p> <p>The outdoor area is all natural, with new elements added since my last inspection. Everything is clean and in good repair.</p> <p>The classrooms are bright, welcoming, and well organized. The rooms are divided in different learning areas, there is allot of natural learning materials and lots of new items added since my last inspection.</p> <p>Lots of learning stories and children's arts and crafts are displayed on the walls.</p> <p>The educators are engaged with the children and lots of positive conversations observed between the educators and the children.</p> <p>Everything is in compliance today; I recommend for renewal.</p>
