General Comments

A renewal inspection occurred on August 7, 2025. Children were observed during inside and outside play as well as snack and lunch.

All children's files were reviewed and verified complete. All staff and Operator files were reviewed and verified complete.

Discussed the outside play area and shade requirement for the maximum number of children to be present at any given time in the outside play area.

Recommending the addition of mulch/pea gravel adjacent to the climbing wall and under the airplane.

Discussed with Administrator activities that the children had been participating in during the summer. The children had been on field trips to Roosevelt Cottage, Herring Cove Park and a planned trip to Edith Lank Camp was upcoming soon.

Educators were observed sitting with the children during snack and lunch engaged in conversation with them.

General Comments

Educators were also observed engaged with the children during their learning and play as well as speaking kindly and appropriately to them.
