<p>General Comments</p> <ul style="list-style-type: none"> -Visit to the center for an unexpected monitoring inspection -Ratio was respected during the visit - The inspection checklist for daily activities was handed out and strategies were discussed on how to apply it within the center. A follow-up inspection will be done to evaluate with each educator if all the items of the regulation are being applied into their group. -Indoor environment provides for children a space that is safe and clean. The material is varied and in sufficient quantity for all children present, easily accessible on low, open shelves. -Daily incident log is maintained; parent is informed of reportable incidents as soon as possible and signs the report which is kept in the children's file. -Operator advises the Department within 24 hours of reportable incidents -Children's guidance is done in a respectful and positive way <p>Observations: When arriving at the center children are involved in different projects such has, Pokémon games, building houses with Legos, drawing a bingo game...etc. Once the older kids arrived, they all went into the cafeteria to have snacks.</p>
