General Comments
<p>On the day of my visit the center was functioning very well. Staff are very kind and patient with the children. Everyone is following all Covid-19 protocols and the postings and Operational plan are on-site and available.</p> <p>Lindsay just painted and it looks great. The floors however are very heavily marked and difficult to clean. Lindsay will speak to her Landlord regarding this issue.</p> <p>All administrative records were reviewed and as well the room usages and layouts with regard to the changes that are in effect due to lowered numbers and when the numbers increase the room usage will return to approved space.</p>
